

The logo is a shield-shaped emblem with a blue gradient background. At the top, the word "SWAT" is written in large, bold, white capital letters. A single blue water droplet is positioned over the letter 'A'. Below "SWAT", the words "STATEWIDE WATER ACTION TEAM" are written in smaller, white, all-caps sans-serif font. The main message, "Protect Fluoride in Pennsylvania", is centered in large, bold, white text. At the bottom, contact information is provided in white text: a website URL, an email address, and a phone number.
